Discussion:

- We reviewed the financials. We now have had three profitable months in a row. Notable is that we made more money in May than in the years of 2010 and 2011 combined.
- Will be distributing cards for a foursome for \$100 after noon during the week that will expire the end of July.
- We had a discussion of the code of conduct policy specifically regarding the cart path only rules and behavior issues toward the staff. As a result, the annual passes for next year will be by invitation according to proper golf etiquette and courtesy to staff.
