Discussion:

- August minutes read and approved.
- We reviewed the financials and we continue to be profitable. Net profits last year were \$19,900 and this year \$42,285. Last September revenue was \$68,000 and so far this September revenue is \$78,000. So looking very good. Getting a lot of benefit from Golf Now.
- Our outside tournaments are looking good, a little over \$60,000. We gained a couple recently because of flooding on other courses. Hoping we can get them to use us next year.
- Our course survived the recent flooding and hail without significant damage. Much thanks to Bob and his crew for all their hard work!
- We will get new mats for the driving range for next spring.
- We will start putting covers on some carts for the winter. Will have 10 covered by the middle of October and 20 by the end of October.
- Meeting adjourned.
