### Discussion:

- April minutes approved.
- Reviewed financials. We had a loss for April even though revenues higher than last year. Lost a couple of weekends due to weather (main revenue days). Also had some one-time expenses like new range balls and the no trespassing signs.
- Have about \$60,000 booked in outside tournament so far. Continue to try to book tournaments.
- Have 60 new carts coming the latter part of May to replace existing carts.
- Discussed having a starter on weekends to free up pro shop and to help monitor pace of play. Also discussed earlier starting times on weekends (6 or 6:15) since getting a lot of morning weekend play.
- Meeting adjourned.
