## PUBLISHER'S NOTE

Like many of you this time of year, my mind turns to plans and goals for the coming year. Lets see. . . . lose 10 pounds, take a golf lesson, exercise at least three times a week, get my financial house in order, clean out my garage, check off one item on my bucket list, spend more time with the people I really care about, and the list goes on and on.

I am sure I made many of these same resolutions last year, but I am not sure why so many of them get lost in the noisy confusion of life by April of each year.

This year, I think I will shorten the list. And focus on "spending more time with the people in my life I really care about".

For 2025, please consider using our local Metro Matters advertisers. Small business is the backbone of our nation's economy, and our advertisers help make Metro Matters possible each month.

**Happy New Year!**

## Heather Ridge Metro District Annual Holiday Party

It was great to meet many new HOA board members, and to reconnect with several long-time members of our Heather Ridge Metro District (HRMD) community at our annual Holiday party on December 12th. All 10 of our HOA's were represented and were treated to great food and beverages prepared by Noonan's event services staff.

Serving as an HOA board member is always challenging and sometimes quite rewarding.

Metro District President Errol Rowland thanked those HOA board in attendance for the important role they play in achieving the Metro Districts mission:

- 1) Protect the open space,
- 2) Protect our property values, and
- 3) maintain our way of life.

A presentation by two of Aurora's finest, (see photos page) was followed by an extensive Q & A session. Several residents expressed their concern with cars speeding around our community with no license plates, illegally parked or abandoned cars, and increasing incidence of theft and trespassing. The Aurora police emphasized the importance of using "Access Aurora" to report neighborhood concerns.

Please save the "How to Report Crime" notice found on Page 8 as a quick reference on who to contact to report community issues.

The upward trajectory of our home values has finally slowed down to something more manageable; interest rates are slowly beginning to come back down to earth, and gasoline is finally back below \$ 3.00/ gallon. But unfortunately, natural disasters in Florida and California keep driving our insurance rates higher. While we don't have any control over gas prices, our second presenter, from Anderson Ban insurance, answered questions regarding the importance of maintaining adequate HOA and individual insurance.

If you are not currently involved in your HOA's board activities, I encourage all residents to consider serving your community by volunteering to help your board address its many challenges. We hope to see you at next year's Holiday party.

Please feel free to contact Van Lewis for questions, comments or ideas regarding strengthening our Heather Ridge Metro District community at [Van@vanlewis.com](mailto:Van@vanlewis.com).

Hello Dear Friends,

As I reflect on my first year as a Councilwoman for Ward 4, I am deeply grateful for the opportunity to serve this incredible community. Ward 4 is where I live, work, and shop — a place I'm proud to call home.

When I was elected, I knew the role would come with challenges, but I also saw immense opportunities. Balancing my responsibilities on City Council with my full-time job and family has been demanding, but every moment has been worth it. The work we're doing matters — not just for today, but for Aurora's future.

### **Prioritizing Public Safety**

Public safety has been a top priority. As a U.S. Air Force veteran, I'm committed to protecting vulnerable populations. I've worked to address dangerous intersections like I-225 and Parker, advocating for improved enforcement, better signage, and long-term infrastructure changes. Finally, the 9 Mile Bridge is in the works for construction in the Spring.

I also proposed and passed legislation requiring license plate registration, insurance and proper operator license to tackle unregistered vehicles, improving safety and accountability. APD has already implemented this program and we are seeing results. Seeing this gain traction has been a meaningful step toward order and compliance in our city.

### **Addressing Homelessness**

Homelessness is a complex issue, and I've focused on both compassion and accountability. I helped launch the Navigation Campus, which will provide shelter, job training, and mental health services. This innovative solution aims to move individuals toward stability while improving our community.

Additionally, I've worked with city leadership to prevent the re-occupation of abated camps, focusing on areas like I-225 & Parker. The Navigation Campus, opening in 2025, will be a cornerstone of our efforts to address homelessness effectively.

### **Leadership and Accountability**

Collaborating with city leadership has been a highlight. Under City Manager Jason Batchelor, the hiring of Police Chief Todd Chamberlain has brought innovative strategies and stability to the Aurora Police Department.

Transparency and fiscal responsibility remain central

to my work. I've advocated for investigations into how thousands of migrants were relocated to Aurora without proper support, ensuring our city's resources are used responsibly.

### **Building a Stronger Community**

This year, I've tackled issues like neighborhood safety, empowering residents to reclaim their communities. These efforts remind me why I stepped into this role: to serve as a neighbor, mother, and advocate for our shared future. Ward IV has also seen new business come to our community as a result of the hard work of the Havana BID.

### **Looking Ahead**

The connections I've made with residents fuel my commitment. From addressing traffic concerns to supporting community initiatives, I'm inspired by the progress we've made.

As we look to the future, I'm excited about what's ahead. Together, we are building a stronger, safer, and more united Aurora — a city we can all be proud to call home.

### **Your Turn to Speak Out!**

Please join me for my next Quarterly Town Hall meeting in January at Noonan's on the Golf Course. Be sure to check your water bill or the [Aurora.gov](http://Aurora.gov) website

### **Need Assistance?**

As your member of Council, I have fielded citizen concerns regarding, neighborhood trash, abandoned vehicles, traffic noise and many more. If you have a concern, reach out to me at [shancock@auroragov.org](mailto:shancock@auroragov.org). You can also go online to the customer portal [https://www.auroragov.org/city\\_hall/online\\_services](https://www.auroragov.org/city_hall/online_services) for a wide range of services.

Remember, Positive change starts with you.

## A Quick Real Estate Look at 2024 Heading into 2025

From a real estate perspective, 2024 won't be missed unless you are a buyer. Official stats for metro Denver will come out soon, but there's plenty of information now to discuss Heather Ridge.

Heather Ridge in 2024 is expected to have up to 66 or 67 closings. As I write this article on Dec 16, there have been 64 closed sales with three pending ones. This year's closings are down 19 sales from last year, 53 from 2022, and 59 from 2021 – Heather Ridge's best closing year ever all thanks to Covid and inflation.

Van Lewis  
Heather Ridge South  
303-550-1362  
[van@vanlewis.com](mailto:van@vanlewis.com)

Heather Ridge's top dollar average sold price was \$361,000 in 2022, and it's been sliding backwards ever since. It looks like 2024 will average \$345,400 – a 4.01% decline or \$14,500 drop. And that's before you include \$5,950 in average concessions costs!

2022 was our first year breaking the \$500,000 barrier with five solid sales, followed by only one in 2023. In 2024, most Heather Ridge listing and sales have struggled to stay above \$400K let alone crack \$500,000 (something to be discussed in the February issue of Metro Matters).

The biggest story for Heather Ridge is concessions. So far in 2024, seventy-two percent (72%) of all sellers have paid on average \$5,950 to buyers to close their sales. Compared to 2023, this is a 17% and a \$1000 increase reflecting economic changes in real estate. In comparison, metro-Denver closed stats for November reported 62% of all sales included concessions, (but the dollar amount not given). It is estimated to be \$8-10,000 given higher average prices outside of Heather Ridge (\$600,000).

Concessions are driving all real estate sales across the country. It is especially prevalent in new home sales where builders have greater latitudes paying buyer's closing costs and rate buydowns. Concession have kept new home sales strong than resales.

So, what's a seller in Heather Ridge to do? The solution is easy – call us. It's not that we have over 50 years each in real estate, or that our clientele goes back generations. We have experienced and learned much to help sellers. We listen first before talking.

*Nobody cares how much you know until they know how much you care!*

Our website, [www.heatherridgerealestate.com](http://www.heatherridgerealestate.com) is our commitment to you. Created in 2020, if you haven't visited it, please do. It reflects us trying to help you. There are charts and news articles about real estate sales along with all ten HOAs and their fees. We have 9 sections dedicated to:

1. **Home Page** with HOA fees info, real estate "Buzz-Talk," references and links to all topics
2. **Current Real Estate News** for metro Denver, Colorado, and national reports
3. **Heather Ridge Real Estate Market** about present and history data, history of the metro district and the 10 HOAs
4. **General Real Estate News** – what's happen in the industry across the nation. . . and the world.
5. **Economics News**, local, national, the world including China!
6. **Fun Stuff-Good to Know** – about life, laughs, and interesting "stuff"
7. **HOA-Metro District News** – what's happening with news articles and reports
8. **Property Taxes** – your taxes and others; legislation; coming changes
9. **Insurance** – how it's affecting home ownership, HOAs, and why

As you can see, Pete and I care about you. . . our Heather Ridge neighbors. Each of us has raised our families here, participated in our respective HOAs, and helped save the golf course from development.

You may love the agent who helped you buy your Heather Ridge home, but when it come time to sell, please let us earn your trust and help you to sell. Our website, [www.heatherridgerealestate.com](http://www.heatherridgerealestate.com) says it all.

## ASSOCIATION NEWS

### Cobblestone

*January is the threshold to new possibilities; dare to step forward and embrace the unknown.*

— A.D. Posey

New Year's Eve is an important milestone every year, that moment when the number on the calendar changes and we realize that time is passing so quickly. The past, with all its joys and challenges, has already happened. The future, with its possibilities and hopes, has yet to come. Here's to the year ahead. May we rise to meet its challenges and take the time to be truly present in its moments of joy. Happy New Year!

#### Updates

**2024 Annual Meeting:** During Cobblestone's annual meeting held on November 25, the 2025 budget was presented and ratified. Monthly HOA dues will be increased by 10%. Four homeowners were added to the HOA Board. The Board now comprises Leah George,

Sharon Taylor, Dave Johnson, Ray Griffiths, Amy Rice, Joanna Meyer and Karen Klemm. Information about projects prioritized for 2025 will be shared in upcoming editions of *Metro Matters*.

#### Reminders

**Holiday Decorations:** Many thanks to all of our homeowners who put up lights and other decorations that contribute to the holiday spirit. As a gentle reminder, lights and decorations need to be put away by January 30.

#### Ontime Assessment Payments:

One way to ensure that your monthly assessments are paid on time every month is to set up an ACH direct debit. The process for setting up this

monthly debit is easy and it's free. The ACH Direct Debit form is on Town Square under Documents and then Forms. It must be completed and submitted prior to the 20th of the month for the following month's payment. Another free option for automatic payments is to use your bank's online bill pay feature.

#### If You See Something, Say Something:

During the annual meeting, concern was voiced about security in the community. All residents can call Cobblestone's security at 720-879-4568 or the golf course security at 303-591-9134 to report any issues of concern. Please make a note and report situations or issues you observe that are detrimental to our community. It's

helpful when residents report items directly so that concerns or situations may be addressed quickly.

**Keep The Lights On:** Residents are encouraged to leave porch and patio lights on. This action adds to the lighting in place throughout the community and supports security efforts.

**HOA meetings** occur on the fourth Monday of the month. Homeowners are encouraged to attend to learn about community updates and to offer input or feedback. Notices for these meetings are sent to all homeowners by email and through the News & Events section of Town Square.

# Happy New Year's

# Double Tree

**Board of Directors:** Double Tree's Board Members include President Alison Ruger, Vice President Markka Adams, Treasurer Aletha Zens, and Secretary Patt Dodd. At the November board meeting, which was held immediately following the annual meeting, Member-at-large Sharon Grimes resigned from the board, and Reggie Adams chose not to run again. We are grateful Markka Adams has agreed to join the board, elected to the office vice president.

**Property Management:** Double Tree is managed by Metro Property Management (MPM). Homeowners now have the option to use ACH (Automated Clearing House) for their monthly payments, automatically

deducting your monthly dues from your checking account. If you would like to use this method, please contact MPM. You may also send a check directly to the MPM bank lockbox in Phoenix, and that address will be included in your monthly statement from MPM. Or, you can send a check to Metro Property Management at 10800 E. Bethany Drive, Suite 235, Aurora, CO 80014. Please contact our Community Manager Jen Wyman with any questions or issues. Her phone number is 303-309-6220.

Double Tree Townhomes will be included in the Metro Property Management website. There will be a secure portal where confidential account information may be viewed. Please contact MPM for login information.

**Maintenance Report:** Gutters were cleaned the second week of December. We are still waiting for our landscaping company to complete a final cleanup of leaves and branches on the property. Bruce did aerate the grounds and fertilize the early part of December.

**Winter is coming!** Please refrain from parking in the designated snow storage area located to the east of 2661 S. Vaughn Way. As a reminder, sidewalks will be hand shoveled at an accumulation of 3 inches, and the main driveway will be plowed at 6 inches.

**Trash and Recycling:** Trash pick-up is every Thursday but will be delayed by a day if there is a holiday. Recycling days are every other Thursday, falling this month on January 2, 16, and 30. Feel free to put your bins out the night before.

And, make sure you put your trash and recycle bins back in your garage at the end of the day on Thursday, so they don't roll or blow around. Waste Management has asked us to remind you to separate your two bins by three feet to allow their truck's mechanical arm to lift and empty the carts. Also, please place the wheels of the cart toward the house.

You can recycle glass and plastic bottles (wine and liquor bottles included), plastic "tub" containers, paper, cans, and cardboard. Rinse them out before you put them in the bin. Please keep food and liquids out of your recyclables. Rinse them out before you put them in the bin. **Also, NO plastic bags or plastic-bagged recyclables, and NO white "foam" packing material. It has to go in the trash.** We have determined, however, that pizza boxes are, indeed, recyclable! Just scrape away any leftover cheese before you put the box in the bin.

**Insurance Coverage:** Please double check with your insurance company to ensure that you have adequate coverage with an HO-6 (condo) insurance policy. Also confirm that if you DO have coverage, it is adequate should there be a need for a special assessment as a result of an insurance claim.

With the significant increase in our property values of late (reference your tax statement!), our insurance agent has advised us to all check that we have adequate coverage on our individual homes. You sure don't want to be under insured, should anything happen! As the TV insurance commercial says, "It's better to have it and not need it than to need it and not have it!" Yes, it's a commercial for life insurance, but still...!

**Aging Pipes:** Given the age of our sewer pipes, please be mindful of what you flush down the toilet. Only toilet paper, please. No facial tissues, no cotton balls or pads, no cotton swabs, no hair, no dental floss, no baby wipes, no personal hygiene products that claim to be "flushable," because they absolutely are **NOT!** Also, please be aware of what you put down your drains and garbage disposal. It is much safer to scrape food, oil, and grease into the trash, rather than using your garbage disposal. If oil or grease are liquefied, please empty them into a sealable container and dispose of in the trash.

**Home Improvements:** You will need approval for any changes you want to make to your windows, front doors, patio doors, patio enclosures, and changes or improvements to your front garden area. Please contact Metro Property Management for an Architectural Control Committee Approval form.

**Guest Parking:** Please have your guests park in the designated guest parking lots, not along (or even on) the sidewalk. We have 12 guest spots, along with parking on S. Vaughn Way, so there's no need to double-park for extended periods of time.

**Patt Dodd**

# Country Club Ridge

**Annual Meeting:** The Annual Meeting was held on October 28th. Thanks to all the homeowners who attended or sent in proxy votes. The 2025 budget was ratified. Beginning in January, HOA monthly dues will increase to \$398.00 per month. This increase will allow us to maintain the property and complete important projects. You have received information by mail concerning this increase. If you pay by automatic draft, you will have to change the amount of your draft before January 1, 2025.

**January Meeting:** Our Board meeting will be at 5:30 pm, Monday, January 20, 2025 on Zoom. You will receive an email invitation from Metro Property Management.

**Snow Removal:** Alex and Sons have been contracted again this year to remove snow from driveways and walks when accumulation reaches 2". Some parking areas are designated as "Snow Storage Areas". Do not park in Snow Storage Areas during a snow event. Your car may be towed without the customary 24-hour notice. We

are contracted with Maxx Towing for this service. Please follow the community guidelines about parking during the Winter Months. Buckets of sand are located outside the garages at every building. If your driveway becomes icy, these are for your use.

**Package Delivery:** Like many local communities, we have had incidents of porch pirates taking packages from doorways. If you are expecting deliveries, please watch for and bring in packages immediately. If you are not at home, arrange for a neighbor to receive your packages.

*Thanks for being a good neighbor!*

## Reverse Mortgage Seminar

January 14, 2025, 6:30 pm  
Noonan's Meeting Room

RSVP to Christy Kyle, 303-437-4208

**Get All Your Questions Answered**

1. Have your **HOA dues increased**, or are they about to increase, or possibly both?
2. Does your community have any **special assessments due** now or coming due for improvements in your neighborhood?
3. Have you heard of a Reverse Mortgage? There are many misconceptions about Reverse Mortgages. I would like to explain the process, and let you know how it can help you, especially if you are on a fixed income. the bank **DOES NOT** take your home. Your heirs will receive your property, just like they would if you had a traditional mortgage.
4. Can you do a **Home Equity Line of Credit** to give you access to your equity to help in this situation?
5. Do you need education on how to **access** your home equity, even if you think you wouldn't qualify for a traditional mortgage?
6. With a Reverse Mortgage, you can access your **equity immediately** while eliminating your monthly mortgage payments.

**Welcome to 2025:** My how time flies when you're having

fun. That's another way of saying when you are busy with life, loves, families, and friends, time passes quickly. Hopefully that means times passes with satisfaction and accomplishments – how could it be otherwise?

**Budget 2025:** On December 10, 2024, the 2025 Budget was ratified at the Annual Meeting without one dissenting vote. Thanks to the many owners who submitted their proxies (but many didn't come), we met quorum (at least 59 owners). There were 24 hearty souls who attended that chilly night offering much thought and conversation on the topics. . . especially the 2025 Budget and the announced sewer line project.

For 2025, HRS's **monthly fees will not change from 2024** – i.e. \$485 for 2-bdrm units, and \$490 for 3-bdrm ones. Of note, our general insurance cost went down slightly from 2024 to \$375,000 from \$391,000. However, the insurance carrier requires that all HRS chimneys have a safety inspection. We are waiting for their written criteria to guide us on how owners must comply.

In asking for insurance bids for 2025, only three carriers responding to our insurance agent's requests (Dalton Spanbauer of Anderson-Ban in Castle Rock, CO). One declined to submit, another was \$30,000 more than our 2024 costs but without any

conditions, and the one we accepted for \$375,000 requires all chimneys to be inspected.

The HRS 2025 Budget is now over \$1 million for operations and Reserve funding. Our Reserves, funded at 10% of gross annual budget, now tops \$1 million but that won't last for long (see the following sewer project).

**Sewer Project 2025:** Overall, our 51-year-old sewer system is in good shape except for three concerns. For decades, HRS has had a pro-active preventive maintenance program cleaning sewers up to three times annually. Our three top sewer concerns are:

1. Lines clogged by too much or the wrong kinds of debris (personal wipes, cooking grease, underwear, utensils, etc.)
2. Broken/collapsed/or off-set clay sewer lines all of which commonly occurs at sewer line junctions
3. Tree roots searching for water in the sewer lines that catch debris, especially the "wrong" kind of debris

We have been jetting our lines for decades, but only most recently have we been videoing and storing them for historic analysis. Video work by Dave Elgin in August discovered potentially severe problems in a sewer line that services six buildings (24 units and the clubhouse) along S

Xanadu Way. Using the HRS building map posted on our website, www.Heatherridgesouth.org website, this problem affects builds No. 135, 138, 139, 140, and 141 and the clubhouse only.

Since August, Maintenance Chairman Dave Elgin and Scott Mansfield have been investigating repair options for the Board. Excavating the nearly 500 linear feet of "bad" sewer line was deemed too expensive and disruptive for now. Another option is to line the sewers with a strong and durable "polymer" finish that's cost effective and timely. What sold us on this method were interviews with the company that has the exclusive right to this product, many affidavits, videos by satisfied customers, and the U.S. Navy – for 40 years, they have used this method on all its ships.

The lining could last up to 50 years; it will take only 5-7 days for installation, and will cost approximately \$130,000 vs. \$500,000+ without any excavation or weeks-months of work.

However, this is not the only cost to us. Displacement of 24 units for lodging and per diem costs while the water and sewers are shut down is estimated to cost \$30,000-\$40,000 for 7 days. This includes four portable on-site bathrooms for owners working or staying here. Thank goodness we have sufficient Reserves.

This sewer project will begin on January 6 with an inspection of all 24 units after the main water line has been shut off. The inspection is to verify all commodes have been drained (once inspected they will be painted close with painter's tape). No water or sewage may be drained during the work project for up to seven days. . . and all of this depends on the weather.

On December 5, and afterwards, the board met with all affected residents. Everyone has agreed to the need and logic of doing this work now and to co-operate fully. All parties will be asked to sign an "Agreement" as to what the HOA will do in exchange for owner co-operation.

the sewer line project and other immediate concerns, the board voted at its November meeting to postpone discussion of new declarations in January to its May meeting. We will keep readers updated on this in the following months.

**Agging Sewer Pipes and Flushing:** Please be aware of what you are flushing down the toilet. Our sewer lines are obviously old and we need to be mindful of what is being flushed down toilet paper only, please. No facial tissues, cotton balls, pads, cotton swabs, hair, dental floss, baby wipes, personal hygiene

products (that claim to be "flushable" but they absolutely are not.) Also please be aware of what you put down the drains and garbage disposal. Scrape food, oil, and grease into the trash (not your garbage disposal). If oil and grease are liquefied, please empty them into a sealable container and dispose of in the trash.

**Insurance Coverage:** Please confirm with your homeowner insurance provider that you have adequate coverage, including the HO-6 (condo) coverage. Also confirm, if you do have coverage, that it is adequate should there be a need for a special assessment. Your Insurance Agent can guide you to what would be adequate. If you have not filed an insurance claim for the recent special assessment, you may wish to do so if you have coverage as several homeowners have been reimbursed.

**Note to Owners:** It is the owner's responsibility to communicate community policies and procedures to their renter. Also please provide

Advance HOA with the name(s) and contact information of your renters.

**Holiday Decorations:** The Denver area tradition is to remove holiday décor prior to the last day of the National Stock Show, January 26, 2025.

**Your Personal Vehicle Parking Spaces:** Each homeowner or renter has 4 parking spaces for their use including two spaces inside of your garage, and the two directly outside of your garage in your driveway. Additional vehicles and commercial vehicles must be parked on the street. Parking vehicles in guest parking long term will result first in a warning and then having your vehicle towed.

**Snow Parking:** Please do not park your car or your guest's car in visitor parking during a snow event. The snow crew cannot plow and clear out those parking spaces. Also, several parking spaces may be needed to push snow to.

**Guest Parking Spaces:** The guest parking spaces located around the property are for short term guest parking only. These are not for your extra cars, cars that need repairs, or commercial vehicles that you drive home. Owners of vehicles in violation of Fairway 16 guest parking guidelines are subject to fines and or having their vehicles towed at the owner's expense.

**Car Break-Ins Phase 2:** Strawberry Phase 2 is located on the northeast side of the golf course on Xanadu Way. A resident contacted Front Range Patrol dispatch to report their vehicle had a broken window(s) but no attempts at stealing the vehicle, just rummaging through property. Upon Front Range Patrol arrival, the officer noticed 6 other cars had broken windows, and seemed to have no attempts to steal the vehicle, as well. Please be diligent with keeping personal property in your vehicles that can be viewed through the windows. We recommend that areas that have been repeatedly vandalized, owners can install cameras in their assigned parking space to deter potential theft. Please let Kyle know when you notice community property lights and/or carport lights that are out. Well lit areas can be a deterrent for potential criminal activity. Keep an eye out if

you see any suspicious person, please contact APD 911. **ALWAYS** ask for a contact back from the officer who received the call. This way the incident is documented. If the person calling APD does not want a follow up call, the call is not reported on the criminal activity map, because there is no contact between the person reporting the activity and the APD officer. If you have any concerns regarding crime, please feel free to contact our Police Area Representative (PAR) officer with APD for District 1. Please keep in mind that he may not be available immediately, but he will respond to community questions, or assistance.

**Insurance:** Pat Wilderott, our HOA insurance agent, will be the guest speaker at the January 8, 2025 board meeting. She will be discussing both HO6 and Loss Assessment insurance. If you have any specific questions, it is encouraged that you send them in

to the PM before the meeting to have as much information available at the time.

**Board Meetings:** Meetings for the next six months will be every other month starting with January, March, May, July and annual meeting in August. This is a cost saving measures as well as to promote homeowners to contact the PM sooner when there is an issue. This step can help get an issue resolved in a timelier matter. At all meetings it is encouraged that questions be sent to PM before a meeting to have time to look into an issue. This every other month meeting is on a trial basis until August and will be adjusted if needed.

**Ice Melt Buckets:** Please contact PM if your ice melt bucket is getting low or lid is not closing. There should be one bucket in each auto court.

**Holiday Décor:** Thank you all for the merry displays. It was fun to see the lights of the holiday but please respect the rules and regs in regard to removing décor at the end of the season. The Denver area tradition is to remove holiday décor prior to the last day of the National Stock Show January 26, 2025.

**Snow Parking:** Please do not park your car or your guest's car in visitor parking during a snow event. The snow crew cannot plow and clear out those parking spaces. Also, several parking spaces may be needed to push snow to.

**Speed Limit:** A friendly reminder that the speed limit in the complex is 15 mph. There are more delivery trucks than ever please be extra careful coming in and out of your auto court. Stop signs have been added to help with keeping the streets safer for all. Walkers, please wear bright clothing and carry a flashlight for better visibility.

**Security:** Please be on alert if you see anything suspicious report it to our security company and/or police. Keeping the garage doors closed when not in operation is very important for the security of the neighborhood. Also keeping delivered packages picked up as soon as possible. If you see anything of concern, contact our security company or the police as soon as possible. Let's work together on keeping Sausalito a safe and thriving neighborhood.

**Visitor Parking:** Please remember there are parking restrictions including no overnight parking without permission from the Brownstone Security, 720-879-4568. No parking is ever allowed in auto courts or fire lanes. For more information, please refer to the Rules and Regs.

**Grounds and Pets:** Please help with keeping our property looking it's best. If you see some trash pick it up if possible. Of course, as always, pick up pet waste at the time of your pet's relief and dispose of it in your trash. Pets must always be on leash when outside the unit.

**Architectural Approval and Required Form:** It is always best to check if any exterior home improvement requires a HOA approval. The HOA is required to approve all changes to windows and doors, adding of solar panels, satellite dishes, hot tubs and more to see the complete list refer to the Rules & Regs along with Addendum A form.

**Architectural Control Request Form** is found on the website and is required to be submitted for approval before any work is to be started. Submit completed form including attaching the contractor's contract and insurance credentials and to the PM for board approval prior to beginning the project.

## **Happy New Year!**

Greetings to all our ChimneyHill residents and hoping you had a nice Holiday Season. For now, we are going back to the format of Community Reminders. These are important and especially helpful if you are new to the community!

**Aging Pipes:** Given the age of our sewer pipes, please be mindful of what you flush down the toilet. Only toilet paper, please. No facial tissues, no cotton balls, or pads, no cotton swabs, or hair, no dental floss, no baby wipes, no personal hygiene products that claim to be "Flushable" because they are absolutely **NOT** flushable in our pipes! These items can easily get hung up way down in the system. Also, be aware of what you put down your kitchen and bathroom drain and the garbage disposal. It is much easier to scrape food into the trash, put oil into a jar, or use paper towels for grease than to pay a plumber to clean your drains. Homeowners are responsible for repairs to their sewer lines and/or supply lines from the point the line enters the exterior of the building. The Association will be

responsible for repairs to the sewer lines from the exterior of the building out to the main line.

**Snow Removal: Snowology** has been contracted again this year to remove snow from stairs and sidewalks and North facing roadways when accumulation reaches 2". All other roadways are at a 4" threshold. Please note there are times when the storm itself will determine when the plows and shovelers will be out. Your driveway may not get plowed at all if there isn't enough room for the plow to get in there due to a car parked next to your drive. Hand shoveling is never done on driveways.

If you are unable to shovel your driveway yourself, reach out to an able-bodied neighbor, or the Board, and we will do our best to assist you. Buckets of ice melt are located around the community at trash bins or post box centers. If the area becomes icy, the ice melt is for your use. If the bucket needs refilling, please let Ashley know at 303-482-2213 #351.

Some parking areas are designated as "Snow Storage Areas". Do not park in Snow Storage Areas during a snow event. Your car may be towed without the customary 24-hour notice. We are contracted with RPM Towing for this service.

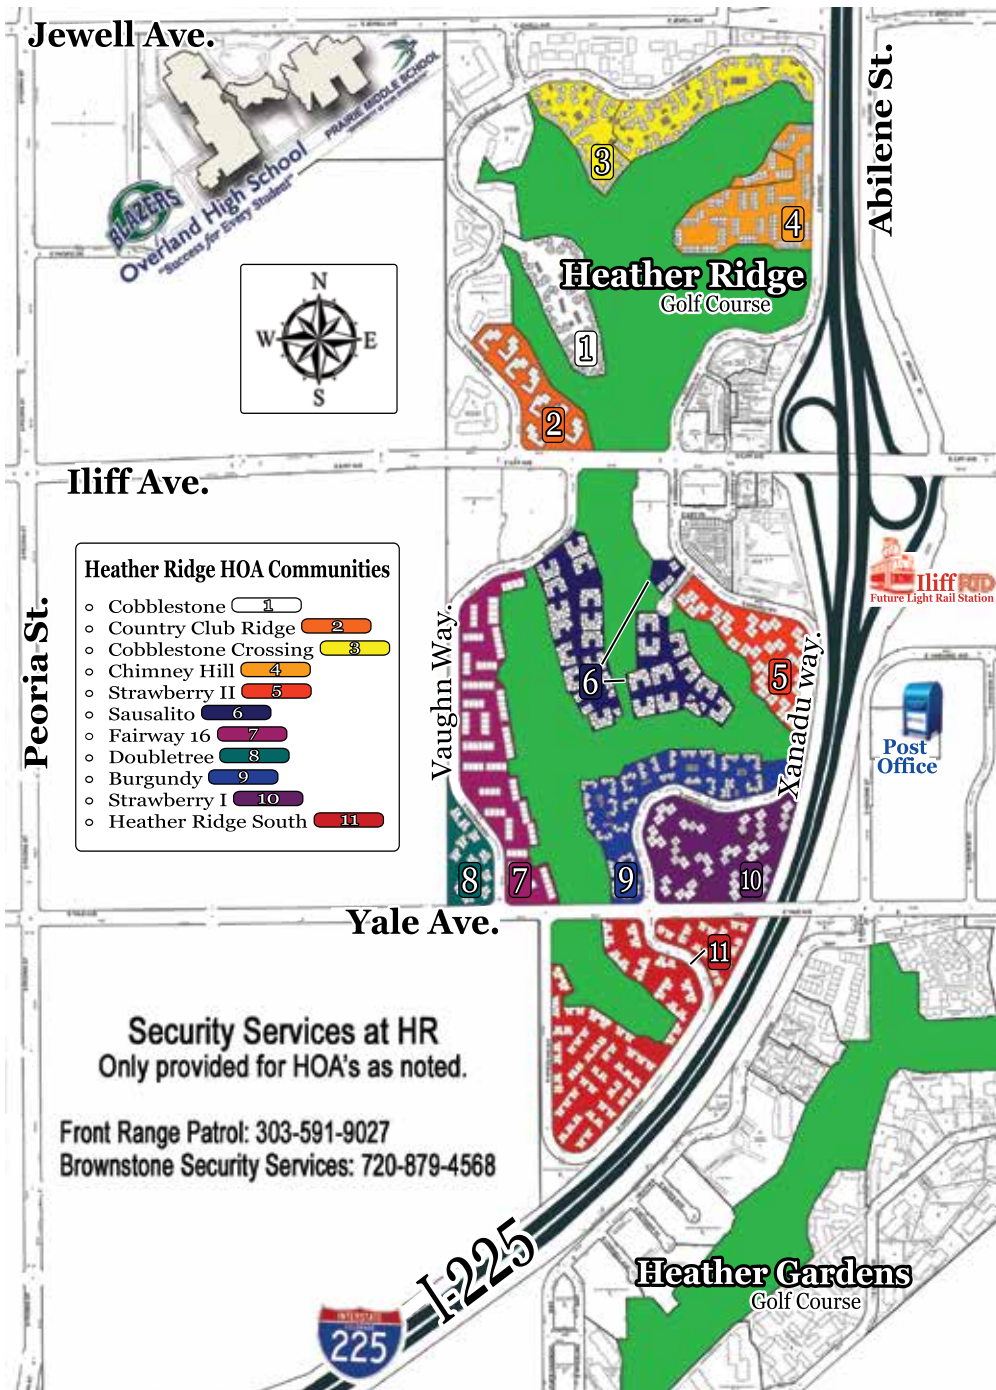

**Budget Ratification:** The 2025 budget was ratified on November 19, 2024. This reflected an increase in dues of \$99 or \$111 depending on the original floor plan of your unit.

This will allow the HOA to pay the normal monthly expenses and add to the Reserves. Painting and siding repairs to Section 1 on Worchester Way will be further delayed due to budget constraints. Safety concerns for the balconies and divider walls will need to be addressed first.

**Monthly Board Meeting:** Usually held on the 2nd Tuesday of each month in the upstairs Conference room at Noonan's which is at the Heather Ridge Golf Club. It starts promptly at 6 pm and we really encourage all Homeowners to attend. We always have a Homeowner Forum, where your concerns are heard and addressed. The meeting usually lasts about 60 minutes and it is a great way to get to know your neighbors, your Board members, and find out what is happening in ChimneyHill.
